---

Hello Perrydale Families,

August 9, 2022

It was great to see our students and families at registration last week. If you have not yet registered, please contact the district office this week. We are excited to be nearing the start of a new school year, with many new students and staff members.

**NEW DAILY RELEASE TIME for the 2022-2023 school year.**

Perrydale School is making an adjustment to the release time, beginning this school year. Students will attend school from 7:45 - 3:15 daily.

In response to student and staff needs, the district recognized the need to carve out and utilize additional time for professional development and planning support for students.

While many districts throughout the state utilize a weekly one hour 'late start' model, Perrydale strives to maintain a consistent daily schedule, which supports both in-district and out-of-district families, while continuing to meet state educational time requirements for all grade levels.

Examples of needs being addressed by staff during the time period:

- Clear and regular dissemination of information which addresses the increasing state & federal requirements
- Data tracking and use of educational data to serve students
- Student progress: individualized "on track" plans
- Targeted planning for classroom support staff
- Formulation and tracking of individual and small group interventions
- Mental health support training

Understanding this newer schedule may impact family schedules, the after school program will not begin charging fees until after 3:30 pm.

Please contact Mr. Dugan with any questions or concerns by calling 503-835-7575 or by email at [dan.dugan@perrydale.k12.or.us](mailto:dan.dugan@perrydale.k12.or.us)

We look forward to seeing all of our students on Tuesday, September 6th!

Respectfully,

Dan Dugan  
Superintendent

*"Where excellence in education is treasured."*
